

## Fighting Warrior Boosters to Install

Installation ceremonies for 1967-68 officers of Boosters of the Fighting Warriors will be conducted during a seven o'clock dinner party Monday evening in the Knights of Columbus hall. Reservations can be made prior to tomorrow night by calling Emerald Dawes at TR 6-9787, or TR 6-4998.

New officers to be installed, include: Willis Shepard, president; Orville Romm, first vice-president; Edward Danner, second vice-president; Cecil Nash, treasurer; and Mrs. Eva Shepard, secretary. Lloyd Whitworth is the retiring president.

Several Fighting Warrior high school coaches are expected to attend the dinner and conduct an informal panel discussion, relating to future prospects in the local high school's athletic program. The 250-member Booster club, organized in 1963, supports all phases of the school's athletic endeavors.

Tickets, at \$2.50 per person, include a family-style chicken dinner or roast beef dinner. Dawes said those interested in high school athletics is invited to attend the annual affair.

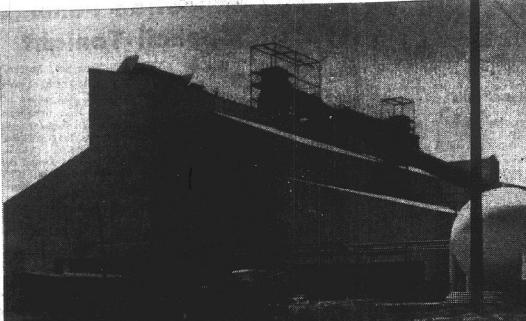

## Woman Threatened by Telephone in Cafe

Mrs. Virginia A. Shire, 204 Grand avenue, reported to police at 6:50 p.m. Tuesday that she received a threatening phone call at Mary's cafe, 20th and State streets.

She said that when she answered the phone, a male voice with a Southern accent, informed who had threatened her and when she identified herself, he said "I'm gonna kill you" and then hung up.

## Youth Fined \$50, Costs

Stephen W. Underwood, 19, of 135 Kinder lane, was fined \$50 plus \$20 costs by a county magistrate's court on a charge of illegal transportation or possession of liquor. The charge was filed last Thursday.

**FIRST HEAT POUR IN JUNE** is scheduled for the basic oxygen furnace steelmaking plant at Granite City Steel Co. The building — as tall as an 18-story office structure — covers three acres of ground. The white steel tank at the right is made of two-inch thick

steel plate and is used to store oxygen under high pressure. Behind the tank are the electrostatic precipitators which have been designed to remove more than 99% of the dust from the furnace exhaust gases.

Net income for the Granite City Steel Co. in the first quarter of 1967 was \$2,070,000, or 46 percent of common stock, compared with \$1,752,000 or 40 percent per share, in the first three months of 1966, Nicholas P. Veeder, chairman of the board, announced Wednesday after a meeting of the board of directors.

Veeder said that Granite City Steel had shipped 251,000 tons of its plate, hot and cold rolled sheet, galvanized sheet and flat rolled steel products in the first quarter of this year and had net sales for that period of \$36,574,000. This compares with shipments of 265,000 tons and net sales of \$35,000,000 in the first quarter of last year ago.

"We produced 345,000 tons of ingot steel in the first quarter this year, or two percent more than the 339,000 tons produced in 1966," Veeder said. "The improvement in our net income for the first quarter of this year over 1966 reflects the influence of the investment credit in reducing our net charge to operations for federal income taxes.

"The investment credit for the first quarter of 1967 was \$1,000,000 compared with \$188,000 in the first quarter of 1966. For the full year 1966, the investment credit amounted to \$1,950,000. Under present tax laws, we may estimate that an investment credit for the full year 1967 will amount to approximately \$3,900,000."

### Planning, Training

"We are at the stage where we are arranging our costs for planning, training and other extensive preparations we are making to avoid undue delay in breaking in the two largest new facilities in the history of Granite City," said Veeder. "A new basic oxygen furnace shop and our 90-ton computer-controlled hot strip mill. The investment credit in the first quarter of 1967 was a substantial help to make up for these unusual costs plus the higher interest rates

and depreciation costs which are now in effect because we are so far along with the expenditures for the new facilities as compared to the same period a year ago.

"We expect to pour our first heat of steel in the basic oxygen furnace shop in June and begin operating our giant new rolling mill department early in the third quarter."

CUSTOM DRAPERY  
ESTIMATE**

Bring us your window measurements and we'll show you how you can have beautiful custom-made draperies by TruCraft for less than you think.

**20%  
OFF**

### How to measure:

You only need to make two measurements for each drapery you order—width and length. The width of the drapery rod (place it at least 3" above the window) will be the width of your drapery. Measure the length from the top of the rod to the length you desire. Space is provided for room colors, which

need to be considered in selecting draperies. Write your window measurements in the chart and bring it with you when you come to choose the fabrics you want, including Fiberglas® from over 30 styles in over 200 different colors from the TruCraft wall display.

## Jayceettes Aid Men in Vietnam

A monthly meeting of the Jayceettes took place Tuesday evening at the Jaycee hall, with Mrs. Kathy Jeffries, vice-president, conducting the business. The club has been collecting a soft drink mix for the past several months and have sent boxes of it to service men in Vietnam, it was noted.

Mrs. Jeffries announced the annual Jaycee luncheon on June 3 at the Flaming Pit in Edwardsville. The "mad hatter" from St. Louis will be guest speaker. Mrs. Mary Watkins, chairman of the recent wig show, announced the proceeds will be sent to the Easter Seal Society's Tiny Tim nursery school.

Mrs. Connie Strotheide was named to serve as chairman of the new Granite City committee.

The club was notified that the Jaycettes bowling team, entered in a contest held at Carlyle, Ill., placed second in the women's division.

Also placed was a membership tea at the clubhouse May 21. The Jaycette award of the month was presented to Mrs. Watkins.

Mrs. Watkins and Mrs. Neva Ward will assist at the immunization clinic at St. Elizabeth Hospital next month.

Mrs. Agnes Friedman won a homemade article, and Mrs. Liz Day will make one for the next meeting. Mrs. Betty Lake was

appointed as chairman to revise the club's by-laws and present changes at a later meeting.

The next meeting on May 23 will be a dinner meeting, and new officers will be held.

Others present were Mesdames Sandy Peterson, Donna Wetherhol, Marilyn Diane, Liz Day, Sharon Lake, Pauline Weller, Shirley Hornsby, Neva Ward, Edna Wyatt, Fay Briggs, Ann Konopka, Maggie Hall and Florence Hagnerau.

ATTEND ALTON

### AUXILIARY MEETING

A number of local women, members of Eagles Auxiliary 1126 were in Alton last Saturday for a meeting. Auxiliary 254 honoring the state president, Mrs. Inez Miller of Herrin.

Among those attending the meeting were state officers and past officers, including two from the city. Mrs. Frances Steinman, a past state president, and Miss Sylvia Roy, who is presently a state trustee. Also in the party were Mesdames Leona Delahey, Delores Klesh, Karen Hulchik, Vera Hornsby, Lucy Williams, Edna Wyatt, Fay Briggs, Ann Konopka, Maggie Hall and Florence Hagnerau.

**SECRETARY OF THE YEAR** award winner announced last night at dinner meeting of the Tri-City Chapter of The National Secretaries Association is Miss Twila Edmonds, second from left. Left of her is Walter J. Campbell of Cleveland, O., who was the main speaker at the dinner; and on the right are Mrs. Dorothy Ashford, who announced the winner, and Mrs. Helen Gieszelmann, club president and last year's Secretary of the Year.

Others present were Mesdames Sandy Peterson, Donna Wetherhol, Marilyn Diane, Liz Day, Sharon Lake, Pauline Weller, Shirley Hornsby, Neva Ward, Edna Wyatt, Fay Briggs, Ann Konopka, Maggie Hall and Florence Hagnerau.

### Secretaries Hear Editor of 'Steel:' Announce Award

A dinner meeting at the Gateway Hotel in St. Louis, the highlight of Secretaries Week for the Tri-City Chapter of The National Secretaries Association (International), was held last night with more than 150 persons in attendance. Guests represented the Granite City Steel Co., General Steel Industries, A. O. Smith Corp., American Steel Foundries and the Granite City Metal Decorating Co.

Mrs. Helen Gieszelmann, president, gave the welcome address and introductions. Mrs. Dorothy Ashford, chairman of the Award committee announced the selection of Miss Twila Edmonds as the new Secretary of the Year.

Miss Edmonds was last year's "secretary."

Mrs. Gerry Hoover gave the invocation and after the dinner entertainment was furnished by the Royal Tamers.

Mrs. Charles Vavovic, CPS, general chairman of Secretaries Week, spoke for all secretaries everywhere and Walter J. Campbell, of Cleveland, O., editor of "Steel" magazine, covered the main topic of the evening. His topic was "Boss of the Year." He stressed the importance of air pollution control.

Other speakers and their topics were Miss Grace Dornire, Chicago, president of the Illinois Division, NSA; "What is the National Secretaries Association?" Mrs. Marlene Porter, Springfield, vice-president Illinois Division NSA; "The Future Secretaries Association"; Miss Viola Welling, Alton, treasurer NSA Division; Divisional Chairwoman NSA; Mrs. June Moselle, CPS Institute for Certifying Secretaries, "A Certified Professional Secretary"; and Harry Thebeau, 1966-67 "Boss of the Year," Tri-City Chapter.

Mrs. Charles Vavovic in his preparation as a committee composed of Dorothy Ashford, Joy Augsburger, Gerry Hover, Frances Kuback, Ruth Meek and Georgann Moser.

Mrs. Charles Vavovic in his preparation as a committee composed of Dorothy Ashford, Joy Augsburger, Gerry Hover, Frances Kuback, Ruth Meek and Georgann Moser.

Fourteen were present, including a guest, Miss Vickie Tuck, the "white elephant" was won by Mrs. Charlotte Damal.

Refreshments were served by the hostess, Mrs. Lucille Cooley. Officers are to be nominated May 10.

### Supt. Davis to Address Coolidge PTA

#### MORE ABOUT

### Sewer Ballot

B. J. Davis, Granite City superintendent of schools, will be present to speak at the next bi-monthly meeting of Collidge junior high school Parent-Teacher Association set for 8 p.m. Monday, May 22. Parents of sixth grade students who will enter Coolidge next fall are being encouraged to attend the session and participate in an escorted tour of the school's facilities.

Plans for the annual meeting were completed Monday evening during an executive board session conducted by Mrs. Helen Lilly, president, in the Coolidge library.

Mrs. Lilly announced that in addition to Supt. Davis' appearance, Mrs. Jo Ann Terpel and Gary Frenzeler, Coolidge guidance counselor, will speak at the meeting.

At times when funds from federal government grants or other sources will be available to the city likewise to bear a part of the cost of the program.

"Any and all bonds so issued will be issued as to mature within not more than 20 years of the respective dates of issuance of such bonds."

Granite Cityans for Better Citizens views the program as a bargain for those property owners, because, for each 18 cents, they will get a full dollar's worth of sewer improvements.

Fifty cents will be paid by the U.S. and 32 cents by business and industry.

End Flooding, Backups

"Granite Cityans will get separate storm and sanitary sewers for all the city. There will be more flooding eliminated. There will be more disease-bearing raw sewage backing up into basements overflowing onto yards and streets when it rains."

"We need this important program because it is essential to protect the health of our people."

"It's a bargain because federal help is assured if we act now. And, you can get the cost will not be affected by the amount of May 6 program is the only way

they could get these badly-needed sanitary sewers at only about half the cost they otherwise would have to pay."

"Only if there is a 'Yes' vote May 6 can the initial \$1,500,000 grant (including \$100,000 for North Granite, West Granite and Mercer drive) be assured."

"The grant must be used now or could be lost, also jeopardizing future grants."

"There is no plan for a later or smaller extension. Time has run out. We must act now."

## Deer Seasons Are Announced

William T. Lodge, director of the Illinois Department of Conservation, announced today that the Conservation Advisory Board has approved the following dates for the 1966 deer season.

The gun season will open Nov. 10 and close Nov. 15, a period of six days.

The bow season will open the first week in Oct. 1 and end Nov. 6. The second will begin on Nov. 16 and end Dec. 31.

Information concerning how to apply for permits will be released at a later date.

## Wilson Park Softball Season to Open May 1

Softball teams will begin their 1967 season at Wilson Park Monday, May 1. 54 teams from over 200 players participating during the campaign.

The gun season will open Nov. 10 and close Nov. 15, a period of six days.

The bow season will open the first week in Oct. 1 and end Nov. 6. The second will begin on Nov. 16 and end Dec. 31.

Information concerning how to apply for permits will be released at a later date.

## Speedway to Begin Season Friday Night

## Dillard New GC Park Athletic Director

Ronald Dillard, Granite City school board member and a physician, has replaced Russell Chappell as athletic director for the Granite City park district, effective immediately. It was Chappell's day by Paul W. Harold Brown.

Chappell, who served as park

athletic director during the past year, has resigned to continue

graduate studies on a National Science Foundation grant with a team at Southern Illinois University-Southeastern campus.

The park district board has approved Dillard upon the recommendation of Supt. Brown.

Dillard has served as an instructor in the park's baseball program, organized basketball

and managed numerous

baseball teams in park district

leagues. He has also participated

in the softball program.

Dillard, a life-long resident of Granite City, lives with his wife, Jackie, and their children at

8 p.m.

Among those returning will be

Chuck Lynch of Springfield, who

will be going after his second

straight 1-Mile-modified title.

Tom Cannon of Danville and

Jim Moughan, who finished sec-

ond in the 1966-67 season.

On Wednesday, in Class C

Slow Pitch play, it will be

Busy Bee's vs. Busy Bee's

Truckstop at 6 p.m., Branding's

Service vs. Abel Auto Body at 7

p.m. and Mexican Honorary

MORE ABOUT

**Hearing Sat.**

legislation to have the power restored.

**Reform Bills Move Slowly**

Meanwhile, in most "reform" legislation intended to improve levels of control, buying and contracting policies has been successfully fought at Springfield by levee trustees and the East St. Louis political organization.

The remaining proposal included in the new bill consists of three phases.

One provides for dredging of Hardin ditch and Schoenberger ditch at a cost of \$200,000.

The other calls for dredging of the Cahokia canal from the control works on Horseshoe Lake outlet to Highway 162, also including a portion of Cane Creek, at an estimated cost of \$300,000, and dredging of Cahokia Canal from the Horseshoe Lake control works southwest to the Terminal Railroad tracks, at a total estimated cost of \$200,000.

**New Projects**

The \$1,722,000 items for new projects consists of four programs:

1. Construction of a drainage channel generally parallel to the Alton & St. Louis Railroad with an outlet into Horseshoe Lake at a cost of approximately \$1,050,000—a project, the report said, that "will permit the orderly expansion of Granite City from Pontoon Beach within the area. Without this construction of this ditch, these people face a danger of flooding within the immediate future."

**Trunk Sewer in Venice**

2. A project designed to prevent the flooding of Venice provides for construction of a stormwater trunk sewer approximately 400 feet in length at a total cost of \$75,000. This project is a must," the report states, "as these people do not have an adequate outlet for any large storm conditions."

3. Construction and rehabilitation of the main channel outlet for the village of Cahokia, and rehabilitation of Dead Creek, at an estimated cost of \$400,000.

4. Enlarging and clearing the outlet parallel to the Missouri Pacific Railroad northward from the Prairie du Pont area known as the Oliver duPont area, which was done in 1957, at an estimated cost of \$57,000.

**Pontoon Alternative**

An alternative to No. 1 is described as construction of a stormwater sewer along Pontoon road into Long Lake at Pontoon Beach.

This sewer, when constructed,

should "necessarily have an outlet to be connected to the existing outlet underneath the railroad tracks which must be enlarged, and the necessary in-

**ST. ELIZABETH STAFF MEMBERS** who will direct "Project 80" in the local hospital's study of future institutional nursing needs. From left to right, are Mrs. Marietta Daniels, director of nursing service; Keith Pryor, management services and "Project 80" director; and Mrs. Dolores Waelz, director of education and assistant project director.

**Local Hospital is One of 32 In State Selected for Study**

St. Elizabeth Hospital has been named one of 32 Illinois hospitals to participate in a nurse study program, "Project 80," it was announced today by Sister Mary Thomas, hospital administrator.

A series of studies in connection with the program will be initiated shortly.

The hospital official said the project will determine the quality and quantity of both professional and non-professional nursing personnel, develop a program to assist in alleviating the shortage of nurses and eliminate requirements for 1980.

Principal sponsors are the Illinois League for Nurses, the Illinois Nursing Association, Illinois Hospital Association and the federal government.

As its specific plan in "Project 80," the hospital will conduct a study of "Institutional Nursing," one of five segments in the overall program. Other areas being studied include: Administration, Business Agencies, Mental Health, Nursing Needs, involving resources for office, private duty and health services; and Nursing Education.

Despite more nurses than ever before now being graduated each year from nursing institutions, a definite shortage of nursing services exists, Sister Mary Thomas pointed out. "Project 80" is designed to seek out facts about patient care needs which are creating the impression of the nursing shortage, she added.

The local hospital's series of studies on all nursing units, designed to start Monday, will include a registration of 1500 patients, a description of the hospital staffing pattern to show the number and type of nursing personnel assigned to each unit.

The hospital administrator expected that one of the most difficult parts of the project will involve a traffic study, showing the number of trips each person makes from his place of work.

Personnel activity assignments, survey of manpower resources, pertinent statistical data about the hospital and a patient and personnel care study will complete the "Project 80" studies, Sister Mary Thomas said.

**Police Identification Meet Set This Weekend**

The Illinois division of the International Association of Identification will hold a conference Friday, Saturday and Sunday at the East St. Louis Holiday Inn.

Serving as host will be Ronald Veizer, state president, and the East St. Louis and Cahokia police departments. It will be Veizer's final conference as head of the division.

About 100 identification experts will be in attendance from Illinois, and requests and reservations have been received from Mississippi, Kansas, Minnesota and Michigan, Veizer said.

The first public program of photo and evidence used in the prosecution of the St. Louis murder trial will be shown at a Saturday business session by Burton Burkey of the Chicago police department's identification bureau.

Veizer has invited mayors and commissioners to attend the event.

**Canada Goodwill Week Topic of GC Kiwanians**

Harmonious relationship between U.S. and Canadian Kiwanians throughout the years was discussed Monday evening at the Post Home, 5100 Lakeview drive. Marvin Barnes, who addressed members of the Granite City Kiwanis Club at their weekly dinner meeting in the Rose Bowl restaurant. Several East St. Louis Kiwanis members were

events planned for the Canadian World's Fair, "Expose '67," to be opened in Montreal later this month. He pointed out that the exposition will cover a 700-acre tract of land, containing 20 pavilions representing various nations. The three largest pavilions in the world will be occupied in the United States, Canada and Russia.

The special international program was given in recognition of Kiwanis' "C'm a Goodwill Week," being observed this week.

Barnes told club members that close cooperation and good will between Kiwanians in the two countries, primarily was investigated by Warren G. Harding, the 29th president of the U. S. and a Kiwanian, when he dedicated Stanley Park in Vancouver, British Columbia, Canada, in 1923.

The speaker also described

events planned for the Canadian World's Fair, "Expose '67," to be opened in Montreal later this month. He pointed out that the exposition will cover a 700-acre tract of land, containing 20 pavilions representing various nations. The three largest pavilions in the world will be occupied in the United States, Canada and Russia.

Melvin T. Gillie, local Kiwanian president, conducted a brief business session and welcomed several visitors. Among the visitors were James Scherer, manager of the Skillet restaurant at W. T. Grant Co.'s local store; and Hugh Brooks, Fred Owen, Marvin George, George Monagle and Allen Sonnalle, all members of the East St. Louis Kiwanis Club.

Before adjournment, Gillie paid special tribute to former Post Home owner, Howard Johnson, who served as club secretary for more than three years. Johnson, 43, died Saturday, following a heart attack.

The speaker also described

**Amvets Post Continues To Enroll New Members**

Amvets Post 31 enrolled three new members at the semi-monthly meeting held last night in the Post Home, 5100 Lakeview drive. Ray Manning, Post 31 commander, conducted the business session.

Newcomers inducted were Norman Martin, Albert Champ and Jay Wallace. Floyd Tucker, member of the club, was introduced.

Plans were made to purchase additional fencing to enclose the post's lake front property. Bill Robinson was named chairman of the improvement project committee. Further improvements to the club house and grounds will be discussed at an executive board session set for 2 p.m. Saturday, Manning announced.

The Amvets bowling league's annual banquet will be held Saturday, May 6, at the Rose Bowl restaurant, with members urged to make reservations.

Letters were read from Na-Granite City PRESS-RECORD

**SEWING SESSION FOR  
TRU UNIT HOMEMAKERS**

A sewing session for members of the Tru Unit, Madison County Homemakers Association, was held Monday in the home of Mrs. Virginia Little, 1612 Garfield avenue.

Mrs. Ruth Lovins, president, presided at a monthly meeting of the Welcome Wagon club Monday evening at Hope Lutheran Church, with 21 members and seven guests attending.

A discussion was held on holding another "coffee hour" for new members May 8 from 9:30 to 11 a.m. at Hope Lutheran Church. Neighbors in the area are invited and may bring their children for a morning of games, prizes and refreshments.

Prizes were made for the next meeting May 13, with the club's sponsor invited to attend. Each member is to bring a homemade item, either sewing, handicraft or baked goods. Proceeds will be given for a donation to the hospital.

Refreshments were served by Mrs. Marge Nixon and Mrs. June Pitts during a social hour. Guests were Helen Purcell, Marie Kreuser, Margaret Hines, Carl Andrews, Jean Van Meter and Ethel Corrie. Members included Mesdames Karen Melton, Myrtle Hackney, Alice Liebrand, Golda Thorberg, Lucille Pierce, Katherine Miller, Irene Stoppkotte, Dixie Griffin, Marilyn Price and Eve

ly Smith. The evening's prize went to Mrs. Smith.

Atting were Mesdames Jerry Shad, Clara Schillinger, Sally Segar, Marjorie Chalipny, Jo Domell, Naomi Kinney, Villa Ridings and a guest, Mrs. Jo Thomas.

Mrs. Bravé announced a craft fair to be held at 10 a.m. May 2 at Hope Lutheran Church. Those attending are to bring a sack lunch. Mrs. Mary Markham will be chairman of the day, instructing on making quilted pillow tops and on covering shoes with fabric.

Attendees were Mesdames Mrs. Marge Nixon and Mrs. June Pitts during a social hour. Guests were Helen Purcell, Marie Kreuser, Margaret Hines, Carl Andrews, Jean Van Meter and Ethel Corrie. Members included Mesdames Karen Melton, Myrtle Hackney, Alice Liebrand, Golda Thorberg, Lucille Pierce, Katherine Miller, Irene Stoppkotte, Dixie Griffin, Marilyn Price and Eve

## Glenview & East Granite

MRS. JOAN YETTER  
250 Stahl Street  
TR 6-0849

HONORED FOR FAMILY

Eldon "Joey" Craft, son of Mr. and Mrs. Eldon Craft, 2428 Edwards street, who was confirmed at Concordia Lutheran Church Sunday morning, was honored at a family dinner later that day at Kline's restaurant by his parents.

Guests included his godparents, Mr. and Mrs. Herbert Rapp and their children, Larry and Garry, and honored at a family dinner

Bob Feiner, Mrs. Mary L. Feiner, Mr. and Mrs. Nat Davis, Mr. and Mrs. Mrs. Haufford, and children, Carol and Gale, Mr. and Mrs. Lester Feiner, Terry, Allen and Debbie, Mrs. Jim Horton, Earl Cotten, Mrs. Dora Winker, Cpl. Burli Bottom and Miss Jane Craft.

A bake sale will be held by the Wilson school PTA Saturday beginning at 10 a.m. at the school. The money will be used for the school picnic in May and a sixth grade trip. In charge of arrangements for the sale are Mrs. Joan McKinley, Mrs. Barbara Miller and Mrs. Jeanie York.

### CONFIRMATION GATHERING

Linda Orama, daughter of Mr. and Mrs. Richard Orama, Wilson avenue, was confirmed at the Hope Lutheran Church Sunday

and honored at a family dinner at Concordia Lutheran Church Sunday morning, was confirmed at the Hope Lutheran Church Sunday and honored at a family dinner at Granite City.

Scott Schneider, who was confirmed at Concordia Lutheran Church Sunday, was honored at a dinner for his family and friends given by his parents, Mr. and Mrs. Richard Schneider, at their home, 2765 Washington avenue, Sunday afternoon.

Scott's guests included his godparents and their families, Mr. and Mrs. Pierce Lentz and daughter, Sheila, of Sparta, Ill., and Mr. and Mrs. Ralph Schneider and daughter, Gail, of Granite City.

Other guests were Mrs. Vera Wilson, Mrs. Marie Wilson and Mrs. Lena Zang, all of Steeleville, Ill., Miss Emma Schrage of Granite City, Mr. and Mrs. Edward P. Edwards, Mr. and Mrs. Harry Peters, Mr. and Mrs. John Geiger and children, Janet, Alice and Jimmy, and Mr. and Mrs. Henry Ameling, all of Granite City.

Mothers of members of Junior Girl Scout Troop 267 met Monday at the home of the troop leader, Mrs. Brenda Tansky, 2007 1/2 Main street.

The members discussed a mother-daughter banquet of all Wilson school Girl Scout troops May 29, the campout of Troop 267 on May 19-21, and Junior Day May 12.

Refreshments were served by Mrs. Tansky to Mrs. Joan Oram, Mrs. Charlotte Leidner, Mrs. Betty Kating, Mrs. Lucille Hannebrink and Mrs. Barbara Weathers.

PUPPET PROGRAM AT PONTOON PARK MEETING

Wilson school Cub Pack 122 held its April meeting Monday evening at the school, with Den Four giving the opening flag ceremony.

Program for the evening was a puppet show, "Life in the Mountains" by Den Three, under the direction of the comic mother, Mrs. Brenda Tansky.

The other puppet shows were Carl Bradford, Larry York, Greg Moutria, Eddie Bellings and Jimmy Bellings.

Cubmaster Joe Moutria awarded each boy a pin.

Paula's sponsor was the father of Paula, Vivian Vaughn.

Den Three's sponsor was Miss Mary Schuler, both of whom attended the dinner.

Other guests were Don Vaughn and daughters, Mrs. Mary and Mrs. Julie, Mrs. Mrs. Theresa Schuler, Mike Schuler, Mr. and Mrs. Roger Fountain and daughter, Kim, Frank, Coleman, Joe Coleman, Mr. and Mrs. Edward and David son, Jimmy, and Theresa, Cathy, Fred and Eric Allan Schuler.

New den mothers introduced by Moutria were Mrs. Mary Schuler, Mrs. Sandra Logan, and Mrs. Carol Bradford.

Also introduced was Robert Jones, Wilson school PTA president for 1967-68.

Announcements were made of the new year and of a rodeo the pack will attend June 4.

The honor den for attendance was Den Six, and refreshments were served by Dens One, Two and Three.

Honored at a family gathering Sunday following his confirmation was Don Vaughn.

PRODUCE IN TOWN  
SEEING IS BELIEVING, COME SEE, COME SAVE!

The annual spelling bee conducted by the Madison county chapter of the Knights of Columbus will be held at 7:30 p.m. Friday at St. Paul's school, Highland.

REPRESENTING TRI-CITY K. OF C. COM. 1029 will be Lester L. Hartman, son of Attila and Mrs. Harry Hartman, 3349 Red Bud avenue, an eighth grader at Sacred Heart school, and Robin DeGonia, 13, daughter of Mr. and Mrs. John DeGonia, 2731 Iowa street, an eighth grader at Sacred Heart school.

The Hartman girl won the Quad-City parochial school spelling bee conducted by the Knights of C. of C. on April 9, and Rena DeGonia girl was runner-up.

Serving as an alternate for the county bee is Mary Lelik, daughter of James Lelik, 2884 Gary avenue, an eighth grader at St. Elizabeth school, who finished third in the local bee.

Other spellers Friday night will represent councils in Highland, Collinsville, Edwardsburg, Wood River, Beloit and Alton.

10 Operations a Day

## Hospital's Surgery Facilities Outdated and Too Small

New operating and recovery room facilities are two of the most urgently needed projects in the St. Elizabeth Hospital expansion and modernization program. Joseph W. Glik, president of the hospital Lay Advisory Board, said today.

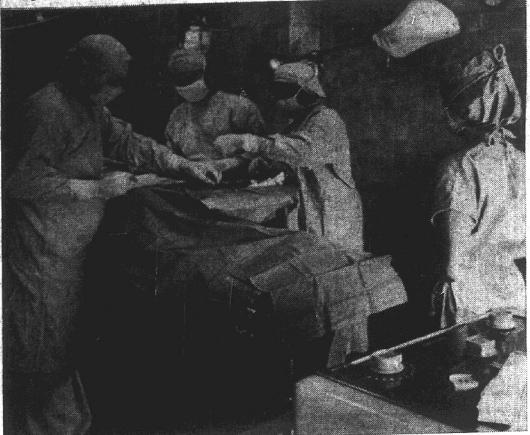

The hospital is currently conducting a campaign for \$100,000 to \$150,000 to finance the expansion and modernization program.

"The operating room facilities are in a wing of the hospital that was constructed in 1931," Glik said. "There is an excellent operating department staff under a terrible handicap. They have to perform lifesaving operations daily in cramped and outdated facilities."

"The need for new facilities only becomes more apparent when you realize that we now perform twice the number of operations that we did in 1956. We are now averaging about 10 operations a day. This is year-old facilities that were originally designed for about one-fourth of that amount."

Glik referred to a report by Dr. Anthony J. J. Rourke, a hospital consultant, who described the present operating and recovery room suite as completely lacking in modern surgery design.

"Dr. Rourke pointed out that the operating facilities were too crowded, and generally lacked most of all the features you could expect to find in a modern

CRAMPED QUARTERS in one of the two major operating rooms at St. Elizabeth Hospital. The two rooms are to be replaced by seven modern surgical rooms and a 10-bed recovery room.

hospital. A successful fund-raising drive will enable us to build the type of the operating rooms will be especially equipped for orthopedic facilities that this year will be completed and this hospital pedic, cystoscopy and dental needs so badly. The present out-work.

"The new operating and recovery suite is just one of the said."

gical operating rooms and a many new facilities the campaign will make possible.

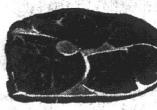

Glik said the general phase of the campaign would begin May 1. "I hope the entire community will get behind this drive and help make it a success," he said.

### CRADLE SHOWER

Miss Patricia Blake was complimented with a cradle shower Sunday afternoon at St. Peter's United Church of Christ. The shower was given by her grandmother, Mrs. Neva Wenzel, and her aunt, Mrs. Toby Wenzel.

Games were played with prizes awarded to Mesdames Lorraine Rakowski, Barbara Tanner and Marian Hartley.

Others attending the shower were Wanda Schewe and daughter, Wanda Lee, Sophia Kraus and daughter, Judy, Gertrude Rukowski, Alberta Mikloszak, Terry Wilgatok, Dorothy Sanders, Florence Kline, Vicki McQuay, Mary Kubak, Fannie Petras, Jean Petras, Marie White, Leona Corvey, Juanita Werth, Lorraine Rakowski and daughter, Carol, Lottie Wine, Lucy Stucke, Carolyn Kline and Misses, Linda Votaw, Linda Petras, Elena Gavlik and Stella Gavlik.

In opening her gifts, the shower was assisted by her cousin, Carol Rakowski.

Lunch was served from tables decorated in keeping with the theme. \*

FRIENDS VISIT REBEKAH LODGE

"Friends' night" was observed at a meeting at Delray 708 Rebeakah at the Old Fellows Hall.

Others attending the meeting were Mrs. Edith Gandy, Sally Maers.

The Brownies began

working on their Mother's Day

Memorial Center Muffins

and said the Brownies

will explain registration

for day camp, which starts

June 19. All those planning to

visit in this area are to

attend their reunions.

Others attending the meeting

were Mrs. Edith Gandy, Sally

Maers.

Girls closing the meeting with

the tunnel song were Martha Col-

lett, Terri Fanning, Tammy Mae-

lett, Linda Oliver, Debbie Tamm-

ett, Linda Bolek, Jeanne Grimes,

Anita Rogers and Jeanne Topal.

Mary Lee assisted the leaders

with the roll call. Each Brownie told of her favorite game. The remainder of the time was spent making cards for Mother's Day gifts.

Peggy Sanders read a poem,

Tim Ellis, Beanie, Gail Rehn,

and others sang.

Others attending the shower were

Wanda Schewe and daughter,

Sophia Kraus and daughter, Judy,

Gertrude Rukowski, Alberta Mik-

loszak, Terry Wilgatok, Dorothy

Sanders, Florence Kline, Vicki

McQuay, Mary Kubak, Fannie

Petras, Jean Petras, Marie

White, Leona Corvey, Juanita

Werth, Lorraine Rakowski and

daughter, Carol, Lottie Wine,

Lucy Stucke, Carolyn Kline and

Misses, Linda Votaw, Linda Petras,

Elena Gavlik and Stella Gavlik.

Brownie Troop 1100 at the

United Church of Christ, Leaven-

worth, Monday evening, May 1,

to offset last year's

operation deficit suffered. The

overhead for the United Church

of Christ is \$1,000.

Other items sent by air mail

to mailings by overseas armed

forces members, but will apply

to mailings by overseas citizens

and their dependents.

Airmail increases include jet

airmail to Central America and

the Caribbean area from 13 cents

per ounce to 15 cents; let-

ters to Canada and Mexico

from 10 cents to 12 cents per

ounce. \* \* \*

International air and surface

postage rates will be increased an

average of 13% effective Mon-

day, May 1, to offset last year's

operation deficit suffered. The

overhead for the United Church

of Christ is \$1,000.

Other items sent by air mail

to mailings by overseas armed

forces members, but will apply

to mailings by overseas citizens

and their dependents.

Airmail increases include jet

airmail to Central America and

the Caribbean area from 13 cents

per ounce to 15 cents; let-

ters to Canada and Mexico

from 10 cents to 12 cents per

ounce. \* \* \*

MISS RYDGIC HOME

GOING NEXT TO TURKEY

Mrs. Teedra Rydick has re-

turned to the Quad-City area

after an absence of 20 months.

She has just returned from Aden

and Yemen, Arabia, where she

completed a tour of duty and

four years of service with the

Agency for International Develop-

ment on the Arabian peninsula.

Mrs. Rydick was administrative

assistant to the chief of Supply

and Logistics Division. She

had many experiences as "an

interesting and challenging four

years in the Arab World work-

ing, living, among, training and

supervising the training and

supervision of the Yemeni mis-

sion. \* \* \*

She is the daughter of the late

Mrs. Mary Rydick, and sister of

Paul Rydick of Madison, Mrs.

Frank Bladick, Andrew Rydick

and Mrs. Dee Greene, all of

## International Postal Rates

### To Be Increased May 1st

International air and surface post rates will be increased an average of 13% effective Monday, May 1, to offset last year's operation deficit suffered. The increase will apply to mailings by overseas armed forces members, but will not apply to mailings by overseas citizens and their dependents.

Other items sent by air mail to Canada and Mexico will not be increased.

Surface letters to all nations will increase from 11 to 13 cents, and postal cards have been raised from seven to eight cents. Parcel post rates to all nations will be increased to 20 cents per

item. Most printed matter, including publications, increased an average of 10 cents per item.

Surface letters to the U.S. will increase from 10 cents to 12 cents per item.

## GC Postal Carrier Charged with Theft Of 'Bank by Mail'

A Granite City postal carrier has been arrested in connection with theft of money from a mail envelope.

Arraigned Monday before U. S. Commissioner Ronald Motz at Alton was William D. Lindsey, 2007, Richmond Avenue, on a charge of theft of letters and mail.

The arrest was presented by postal inspectors from East St. Louis and Chicago to the U. S. Attorney's office in Springfield, and Lindsey was released on \$10,000 on a \$10,000 sureties bond.

Lindsey was arrested Saturday afternoon when the postal inspectors staged a "plan" at the main post office. The carrier was taken into custody at the post office. The letters were addressed to Granite City banks. The banks have received complaints for several months from depositors that money placed in the mail and not been credited to their account.

An investigation has been under way for about the past six weeks, and the postal inspector's office in East St. Louis said the investigation is complete.

The inspection declined comment on the total amount of money that may be involved in the prosecution in federal court.

Granite City Postmaster Theodore Overbeck verified that an arrest was made.

## Bellmore Center To Be Site of New Nameoki PO

(Special from Washington)

The Nameoki station post office will be relocated at Bellmore Village Shopping Center in Granite City. Melvin Price (D) East St. Louis, was notified by the Post Office Department Tuesday.

Com. Price said he was informed the Post Office Department has completed negotiations of a five-year lease calling for annual rental of \$1200 for quarters at 3230 Nameoki Road, formerly the site of the former Tilt & Carpet Co. which is now located next door. The quarters are in the shopping center arcade.

Post Office officials said \$1000 has been allotted for remodeling, and the Nameoki post office is to occupy the space June 1. The building provides 600 feet of floor space.

HTW new quarters will replace the Nameoki station torn down more than a year ago to provide right-of-way for improvement of the north section of Nameoki Road. The old building was located at 3800 Nameoki road.

The station has been located temporarily in a residence at 3912 Nameoki road. Several sets of bids were called on construction of a new post office building during the past year, but were rejected because they exceeded cost estimates.

**Election Checks Ready**  
About 50 pay checks for judges in the April 4 Granite City township-city election have not yet been picked up at his office. Supervisor Nelson Hagnauer said today. The judges may get their

## Five Hurt in 3 of 16 Traffic Mishaps

Two persons were injured when an auto driven by Mrs. Ruth A. Finn, 54, of 3028 Denver street, collided with another driven by Raymond L. Davis, 26, of Circle Drive, in the rain at 45th Street and Jefferson avenue.

Mrs. Finn and her husband, Willard Finn, 55, were taken to St. Elizabeth Hospital for treatment and struck the windshield, and she complained of injury to her right arm.

Mrs. Mary E. Koenhoff, 32, of 1716 23rd Avenue, was injured when her auto collided with another driven by Robert H. Margeson, 315 Aubrey Avenue, at 6:15 p.m. Tuesday.

The board reappointed Nick Vasileff as town attorney for 1967-68.

**GIRL SCOUT** "active citizen service project" being undertaken this week by members of Troop 234 at the St. Elizabeth Hospital fund drive headquarters, 1920 Edison avenue. Preparing mail items in advance at the start of the general solicitation campaign next Tuesday are, left to right—Pamela Cooper, Kathy Davis, Marcella King, Linda Cox, Nella Walton and Lois King. Leaders of the troop are Mrs. Norma Walton and Mrs. Virginia Kessler.

**MORE ABOUT  
Council Ease**

ing rate for the Alderman elected April 1st should next Monday.

Several other items also were separated from the city bill list, including the \$39,150 payment for the fire department's new 85-foot aerial ladder truck and \$600 to Henry Ross for paving Maryville road at City Hall.

**Reddit in New Truck**

Alderman Johnson, chairman of the Fire committee, called for non-payment of the fire truck bill until it can be determined if it's a two-way radio that should be included as a part of the equipment.

Council members authorized the committee to meet with Fire Chief Earl Fronabarger and a representative of the Apparatus Co. to determine if the radio is to be included among the equipment.

Fronabarger told the council Monday night that he researched the truck specification and believed the radio should be included. He said the company representative has a different interpretation.

The committee decision is to be made by Saturday, since that is a deadline to save \$390 in interest. Payment will be made within 15 days after delivery of the truck.

Cash for the truck is available in a special fund set up by the city. It's paid streets and alleys in the cleared behind-the-wall area to Granite City Steel Co. for its new basic oxygen furnaces.

**Payment Authorized**

The committee was authorized to approve payment to Seagraves to the radio problem can be worked out.

Alderman Sternberg, chairman of the Street committee, said separation of the \$600 payment to Henry Ross was requested since the project has not been completed. The payment is to be made upon approval by the city engineer and superintendent of streets.

Another question of a bill list item was posed by Alderman Bartosik, who questioned a \$500 electric power bill for the sewage treatment plant.

**Rain Insured Pumping**

Alderman Moerlein, chairman of the Pollution Plant committee, and John Hildebrand, plant superintendent, explained operation of pumps for longer periods of time was necessary because of recent rains. Hildebrand said the power bills have been running \$250 to \$500 a month, depending on the amount of solid matter in the sewage and "extra" precipitation.

Alderman Boyd called for separation of a \$1145 payment to A. H. Seebold Co. on the Adams street track removal.

Major items on the bill list included payment of \$2,000 to A. H. Seebold Co. for the Red Barn and Clark avenue sewer lines, \$1,300 to A. H. Seebold for repairs to the Maryville road sewer break; \$10,301 paid to National Disposal Co. for garbage and trash pickups for April and \$200 paid to Aetna Life Insurance Co.

## City to Seek \$110,000 MFT for Summer Street Work

Marine Gunnery Sgt. Hall

On Duty at Chu Lai, Vietnam

Marine Gunnery Sgt. Bernard C. Hall jr., son of Mrs. Peggy Jones of 2035 Iowa street is in Chu Lai, Vietnam serving as a member of Headquarters and Maintenance Squadron (H&MS) 12, Marine Aircraft Group 12.

As a unit of the First Marine Aircraft Wing, personnel of H&MS 12 are in administrative and maintenance sections of the aircraft group, which flies the A4 "Skyhawk" jet on close air support missions in support of U.S. Marine and Allied ground forces.

Application for \$110,000 motor fuel tax funds for a seasonal summer maintenance program on 112 arterial street sections was authorized Monday night by Granite City council members, who also approved bid changes for the street cutting program and installed the Sanitation committee to proceed with insect fogging.

The Sanitation Committee, headed by Alderman Boyd, is free to confer with state health department officers on the type of insect spray machine on which bids will be sought.

The city has two jeep-mounted fogging machines, but one is not used out. The state is to be asked to advise the city of the

type of spray to be used to control mosquitoes and flies.

### Summer School Guards

Employment of two school guards for 34 days to be assigned at crosswalks near schools where summer sessions are to be held was approved. The locations will be 20th and Beale, 10th and Jefferson, 10th and Washington avenue and Victory drive and Nameoki road for Emerson, Frohardt and Marshall schools.

Bids are to be sought for metal forms for sidewalks and curbs and gutters, which are used by the street department in carrying out repairs and projects. It was not last week that in many instances wooden forms are inadequate.

Reported to the Street committee was a request by National Foods store for a driveway entrance for its Madison avenue and Nameoki road store. The proposed driveway would be at Nameoki road and Iowa street.

### Drainage Problems

The Street committee was asked to study drainage prob-

lems at Spalding and Boyle avenue and Spalding and Seebold Co. streets which were not on the bill of fare.

Requests were made for left turn lanes to be painted on John Berg, chairman of the Street committee, said the \$900 charge for a backlog included pay for the operator and the \$200 for the piping for some work had been agreed upon by the city had with the contractor.

An excavation permit for a house at 20th and Adams street between Adams and Bento street, starting May 1, was ap-

proved.

Two equipment rental men and Spalding and Boyle av-

enues and Spalding and Seebold Co. which were not on the bill of fare.

Condemnation petitions and records of negotiations for right-of-way needed for improvements in the Nameoki section of Nameoki have been forwarded to Springfield by the French Highway Department, Robert Kronis, chief district engineer.

Kronis said all documents necessary to the filing of con-

demnation proceedings for ac-

quisition of right-of-way parcels un-

attainable by negotiation, as well

as records of purchases have

been forwarded to the district office as preliminary to condemnation action

by the Illinois Attorney Gen-

eral's office.

He said he had been notified by letter from Springfield that the per-

son on whom the bill of fare

had been forwarded to the at-

torney general. The attorney

general's office at Springfield

will appoint a local assistant

attorney general to prosecute

the cases and file them in court

in court.

The condemnations will be filed under the state highway de-

partment's "quick-take" proce-

dure which allows for immediate

removal of the cases from regular court routine. The condemnation actions, however, will take about six weeks and the state will require another 30

days before it pays for the right-

of-way tract.

As a result August bid on the

south Nameoki road improve-

ment is possible, it more likely

will be September before bids

are advertised for the job.

Open House this Weekend

## 2 More Rooms Restored at County Historical Museum

The board of directors and staff

and placed in a frame above the

bedroom fireplace.

The fireplace boasts an 1815 Adams mantel from the Paddock

home, unusual in that these more

elaborate mantel pieces were not

often found this far west at that

time.

The public is invited to attend

the open house without charge

and to be personally conducted

or to browse through the old

home. The house is open each

week on Wednesday and Friday

from 1 to 5 p.m., and Sunday from

1 to 5 p.m.

The special exhibit is planned es-

pecially to show two rooms that

have been restored with funds do-

minated from the estate of the origi-

nal family to occupy the house.

A dedicated room will be held

each Saturday from 1 to 5 p.m.

Grand Jury to Hear  
Whisky Robbery Case

Ulan Davis, 37, of 25 Lee Wright Homes, Venice, and Jessie Pastoriza, 22, of 427 Western street, were bound over to the Madison county grand jury Monday by Magistrate Matosian on charges of armed robbery.

They were arrested early April 15 by Venice police on a charge of being the salermen of four cases of whiskey early that Sunday's program to greet Major Boozer.

Former SA Commander  
To Speak Here Sunday

Major Gladys Boozer of the Service Extension Bureau of the Salvation Army will be the guest speaker at the local Citadel, 19th street and Grand avenue, at 11 a.m. Sunday.

The Salvation Army, officially known as the National Corps of the Salvation Army, previously served as commanding officers of local Corps from 1942 to 1946. A number of friends and former acquaintances are expected to attend.

## 75 Parking Meter Removals, Heating Code Changes Ok'd

Removal of parking meters at intersections to provide better views for motorists and pedestrians was approved Monday night by Granite City council. Alderman members, who also redesignated the parking meter zone with approval of another ordinance.

In other action, the council approved several amendments to the city's heating code.

About 75 meters are to be removed to comply with state regulations that ban parking within 20 or 30 feet of an intersection or corner. The proposal was made on March 26, when it was pointed out that locations of parking meters result in views of stop signs being blocked by parked vehicles, and in some instances, vehicles parked legally at meters.

**Meter Tickets Still Contested**

Action on the ordinance was deferred last week, but City Atty.

Allen pointed out that a number of parking meter arrest tickets are contested in the courts by recipients, and it was discovered that meters immediately north of the Ordinance committee, who declined to submit the ordinance for action.

The 75 meters and State street were not covered by the ordinance that established the original parking meter zone.

"We need to extend the zone to 22nd street so the boundaries can be defined in detail. It does not mean that meters will be installed in front of homes, especially since council approval is needed to install a meter,"

The new zone also is to extend along 21st street to Washington avenue, with meters to be installed along 21st street from Grand avenue to Washington avenue where there now are no meters. About 25 meters will be installed.

**Coupons Placed on Table**

Amendments to the city's heating code, also "placed on the table" by Nunn, were approved after a debate and compromise.

The code specification for the Warm Air Heating Board to be installed in all new buildings by Inspector Leo Wofford, was changed to include the city council as also handling appeals.

Changes necessary in the code were not made, and continuing in the winter, clause specified amounts in excess of state-set limitations. City Atty. Allen explained the city's code was based on a model ordinance that appeared to have been designed for a larger city and that passage in 1963 failed to lower the amount of the violation penalty from \$1000 to the amount of \$200, to \$200 for first violation, and \$400 to \$500 for second violations.

Allen was asked to go through

other codes adopted several years ago by the city to determine if they conform to state regulations on parking.

When Nunn objected to the amendment, Alderman Basarac, serving also as appeal board, commented it was a conflict of interest. Alderman Rutledge pointed out the city has an appeals board for the final decision. An insertion was made in the heating code to specify that the council also could handle any appeals.

In objecting, Nunn pointed out the city heating inspector also served on the warm board.

The new position of the mayor by Alderman Robertson.

"Who is the inspector?"

Roberson asked, and Mayor Parton replied the post was held by Leo Wofford.

"Where does he man work?"

"He's employed by Granite Sheet Metals Works of which I am president," the mayor answered, adding that he as president also signed the checks for the firm.

The mayor went on to say that Wofford was named to the post before he became mayor.

Robertson asked City Atty. Allen if there was any conflict of interest.

Allen replied that there was none if the firm did not do any business with the city.

With the modification of the amendments, Nunn withdrew his proposal.

Allen said the changes still were objections to inspection fees by other aldermen.

The amendments also added central air-conditioning to the heating code, and a clause that has been in effect since the code was adopted four years ago.

Voting against the amendments were Bartosik and Robertson.

## Bankers Say GC Sewers Needed, Real Bargain

Two local bankers today took a stand in favor of the May 6 special sewer election of Granite City.

E. A. Karandjeff, president of the Granite City Trust & Savings Bank, said, "I think this is the most urgently needed improvement that Granite City has ever had."

"It is also the biggest buy we've ever had," Karandjeff said in encouraging public support of the program.

Harold R. Fischer, president of Granite City National Bank, told the Press-Record, "It is imperative that every citizen vote 'Yes' on the sewer bond issue program and thereby take a major step to improve living conditions in the Quad-Cities."

"With a substantial portion of the money coming from a federal grant and a city contribution of remainder paid through taxes by industry, let's vote for progress. Vote 'Yes' and save some money."

### Shoplifter Fined \$50

Billy M. Blackman, 22, of St. Louis, has been fined \$30 plus \$20 costs on a charge of shoplifting last week at the local P. N. Hirsch store.

Force Base, N. J., and the University of Massachusetts extension at West Point, A.P.M. during his off-duty hours.

He is married to the former

Lilyane Benz Benazeraf of Mo-

leyda extension at McGuire Air rocco.

### A/C GERALD O'GUIN

#### Local Airman on Duty In Spain Cited by Unit

Airman First Class Gerald T. O'Guin, son of Mr. and Mrs. Thomas O'Guin of Granite City, has been named Outstanding Airman in his unit at San Antonio Administrative Annex, Spain.

The local airman, a radio operator, was selected for his exemplary conduct and duty performance. He is a member of the Air Force Communications Service which maintains and operates a global system of traffic control and navigation aids and communications for the USAF.

Airman O'Guin has studied at the University of Maryland European Division, Trenton State College, extension at McGuire Air rocco.

## YOUTH FOCUS

**SENIOR DEMOLAY OFFICERS** installed recently are, left to right, first row—Charles Hileman, treasurer; Richard Lowe, chaplain; Charles Ringering, junior councilor; Terry Waffler, master councilor; James Fitzpatrick, chaplain; and James Naeve, scribe; second row—Robert Cawley, almoner; Keith Darnar, preceptor; Robin Teague, senior deacon; Fred SanSoucie, preceptor; John Gage, junior steward.

Granite City PRESS-RECORD Seaman Troy O. Knight Page 34 Thurs., Apr. 27, 1967

## Receives Promotion

Dennis Demontmolin, a son of Mr. and Mrs. Gerald Demontmolin, 2315 Lincoln Avenue, has been promoted to private first class in Vietnam where he has been on duty the past six months. His wife is the former Sandra Crafton.

Youth Focus Continued on Page 35

Seaman Troy O. Knight, USN, son of Mrs. B. T. Knight of Madison, is in the Caribbean taking part in a joint service amphibious training exercise named "Clove Hitch III," a crew member aboard the destroyer USS Johnston.

His unit comprises a segment of more than 21,000 men of the Army, Navy, Air Force, Marine Corps and Puerto Rican National Guard who will be participating.

and; David Thomas, senior steward; third row—Tim Noud, preceptor; Dwayne Pritchett, junior deacon; Joe Champion, preceptor; and Joey Vaughn, preceptor; and fourth row—Kyle Tarpoff, preceptor; Danny Taylor, sentinel; Randy Fowler, marshal; James Ebrecht, standard bearer; David Wilkins, preceptor; and Wesley Loper, orator.

Arnic B. Phillips is assigned at Chanute AFB

**JUNIOR DEMOLAY OFFICERS** installed recently are, left to right, first row—Michael Norton, scribe; Michael Johnson, junior councilor; Michael Few, senior councilor; Harold Hotson, master councilor; Daniel Ebling, chaplain; and Kirk Darnar, treasurer; second row—Steven Ebrecht, Bruce Hawkins and Billy Watson, preceptors; Marty Douglas, standard bearer; and Scott Rushing, preceptor; third row—

## Three GC Students Now Practice Teaching

Airman Arnic B. Phillips, son of Mrs. Lula M. Phillips of 503 Meredocia Street, Madison, has been selected for training at Chanute AFB, Ill., as an Air Force vehicle maintenance specialist.

The airman, a 1966 graduate of Madison high school recently

completed basic training at Cleveland Ann. L. Johnson, 2254 West Frankfort; Charlene H. Landis, 3025 Dale Avenue, Benton elementary school; and Kenneth L. Wille, 2223 Lincoln Avenue, Herrin high school.

Arnic Phillips, resides in Forrest City, Ark.

**RIFLE PRESENTATION** by Louis Marlette, president of the Tri-City Shrine Club, to Terry Waffler, new master councilor of the Granite City chapter, Order of DeMolay. It is one of five given to the chapter to replace those stolen last spring.

## GCHS Band to Leave on Saturday for Texas Tour

The Granite City high school band, composed of about 105 musicians, will leave Saturday morning for its annual out-of-state trip. Nine adult chaperones will accompany the group.

The students will travel to Houston, Texas, aboard three buses. They will return on Thursday of next week.

While in Texas, the band will play a concert at the Westover senior high school in Houston according to Louis Meek, director.

Other activities include tours of the National Aeronautics and Space Administration center at Houston, San Jacinto Memorial Park and the battleship Texas.

A day-long excursion to the

Gulf coast resort area near Galveston, Texas, is planned.

The students financed the trip partially through the sale of tags during recent Tag Days.

## SOCIETY \*

Scholarship Topic  
For KU of PEO

Chapter KU of the P.E.O. Sisterhood met Monday evening in the home of Mrs. Elizabeth Rea, 3211 Wilson drive.

Mrs. Lee L. Lierman, president, was in charge and Mrs. Charlotte Lierman was appointed chaplain of the Metro-East Round Table, representing Chapter KU.

Mrs. Jane Hulse and Mrs. Velma Gruber gave programs on International Peace Scholarships and the Educational Loan Fund. Others taking part were Mrs. Jo Ann Burcky, Mrs. Elizabeth Rice, Mrs. Fay Carlisle, Mrs. Jo Anne Kraus, Mrs. Joann Galters and Mrs. Frances Fadock.

The Sisterhood is observing the 60th anniversary of the Educational Loan Fund which gives financial aid to girls seeking higher education. The International Scholarship is designed to aid foreign women students doing graduate work in the United States.

The next meeting of the chapter will be held May 9th in the home of Mrs. Kraus.

## Quad-City Navy Mothers Honored by Navy Dept.

Quad-City Navy Mothers 850, photographs of the president of the United States, the Secretary of the Navy and Chief of Naval Operations MacDonald.

Commander of the local club is Mrs. Frances Webber, in charge of a total of 50 members.

They were shown to the Navy Dept. in Washington, D. C., has shown loyalty also to the local club with their hands, winging them, de-

spairing them at the time of their arrival, and then putting them in a useful task.

She also suggests joining the Quad-City Navy Mothers 850, thereby proving loyalty to sons and country.

### ATTEND ANNUAL AAUW CONVENTION

A number of local women, members of the local units of the American Association of University Women, have returned from Decatur where they attended the 43rd annual convention of the AAUW.

In the party were Miss Margarette, president of the Granite City branch, Mrs. Emma Schoen, Miss Geneva Page and Miss Virginia Segar.

Dr. Alice Rector of Carbondale, state president, was in charge at the convention attended by approximately 100 delegates representing 51 branches.

MRS. ROBERT W. STEVENS

Mrs. Stevens is  
Zonta President

Mrs. Robert W. Stevens, 3805 Franklin avenue, has been installed as president of the Zonta Club of Belleville.

The 50th wedding anniversary of Mr. and Mrs. Philip Seipel, 2804 Madison avenue, who will celebrate their golden wedding at a reception and open house Sunday afternoon at St. John United Church of Christ. On the left they are as they appeared 50 years ago and on the right in a recent picture.

**Mr. and Mrs. Philip Seipel  
Observing 50th Anniversary**

The 50th wedding anniversary of Mr. and Mrs. Philip Seipel, 2804 Madison avenue, will be celebrated by the couple with a reception and open house Sunday afternoon from 2 until 4 p.m. at St. John United Church of Christ, 2901 Nameoki road.

They were married April 24, 1917, at the Methodist parsonage in Edwardsville with the pastor, Rev. Robert Morris, officiating.

Mr. Seipel is 70 and his wife is

68. They have no children. Before retiring in 1962 he was em-  
ployed by the Nesco Barrel Co.

Among the guests at the reception will be Mrs. H. D. Brinkhoff, who was a bridesmaid at the wedding 50 years ago.

Before her marriage Mrs. Seipel was Alysa Robbins of St. Louis.

### New Business Manager Named at Alton Hospital

Joe D. Depew, East Alton, has been named institutional business manager of Alton State Hospital, succeeding R. K. Purt, who retired April 7, according to Dr. W. E. Simon, hospital superintendent.

As business manager Depew will be in charge of all business functions and transactions of the hospital and supervise the business office, the medical department, stores, clothing department and commissary. He was employed as an accountant at the hospital in 1962 and promoted to business manager in July, 1965.

### 4 Zoning Changes Ok'd by County; One is Held Over

Four requests for special use permits and zoning changes were approved, one was held in abeyance and two were denied with modifications provided by the Madison county board of supervisors Monday.

A special use permit is being requested by Kenneth Hartshagger, owners, for a mobile home subdivision and a sewage treatment facility in Chouteau Island township, a new community of stores, clothing and services in the Louis subdivision from a R-3 one-family residence to B-3 highway business district in Chouteau township near Mitchell.

A request of Walter Rozycki, to rezone two tracts of land to R-3 agriculture, to R-5 multiple family residential and from agricultural to B-3 highway business districts with a special use permit for a mobile home court in South Prairie in Nameoki township.

A special use permit to the Edwardsville National Bank & Trust Co. as trustee under the will of M. Estelle Funk (deceased) for a service station in an R-4 one-family residence district in Chouteau township providing suitable dust free surface and type of building to be constructed to reduce the traffic flow pattern. It is located across from the main gate of the Shell Oil Co. refinery.

A special use permit to the New York Central and Gulf, Mobile and Ohio Railroads for off-street parking in an R-4 one-family residence district in Chouteau township providing suitable dust free surface and type of building to be constructed to reduce the traffic flow pattern. It is located near the Shell Oil Co. refinery.

Hold over for further study was the petition of Clara Schilling, owner, and M. Fulton, purchaser, requesting to rezone a tract on Chouteau Island from agricultural to R-3 heavy industrial district.

The petition of William Bredenbach, owner, requesting to rezone a tract of land from B-3 highway business, to R-3 one-family residence district in Chouteau township, a 1/4 acre at Route 102 and Edwards drive in Nameoki township was denied, but in lieu of this, an R-2 one-family residence district was granted.

The petition of Sam Nuel, owner, requesting to rezone a tract on Collinsville road in Nameoki township from R-3 one-family residence to M-2 general manufacturing district, a general use permit for filling station, motel, restaurant, truck stop and

possess talents, either trained or potential, which may include singing, dancing, dress designing, singing others.

If she wishes to pursue a professional career, such as a musical instrument, dramatics, dancing, dress designing, singing others.

Those nominated by friends or prospective candidates who are to be considered for the three-minute talk on her reason for selecting such a career, or on her training and aims in her future profession.

Sam Soucie is asking local residents who know a person with special talents, either trained or potential, which may include singing, dancing, dress designing, singing others.

Those nominated by friends or prospective candidates who are to be considered for the three-minute talk on her reason for selecting such a career, or on her training and aims in her future profession.

Miss Huelst Kamp will relate to candidates her experiences at the 1964 Miss Illinois contest held in Quincy.

In 1965, Miss Kathy Oros of Granite City, captured the Miss Illinois title with her sparkling performance as Eliza Doolittle from "My Fair Lady."

Candidates are required to be contacted personally by Jaycees representatives.

HOW TO:

### Decorate Indoors With Paint

Paint is the magic word for a quick and easy decorating change.

Almost any room can take on an exciting, colorful appearance with an investment of only \$10. The National Paint, Varnish and Lacquer Association recommends that you use latex paint—either in a flat or a semi-gloss finish—for all layers of leisure! Latex paints are quick drying, easy to use and clean up, can be done with soap and water. Try a flat or a semi-gloss finish on all your walls and ceiling. Paints are splatters are inevitable. You can minimize splattering by dipping the bristles of your brush no more than one-third of the bristles length into the paint. Wipe off any splatters at once with a damp cloth—don't wait until the paint has dried.

If the direction says to paint with a putty knife, use a wooden spatula and stir until absolutely no color pigment remains in the bottom of the can. For protection, cover all floors and furniture with drop cloths before painting. No matter how careful you are, a few splatters are inevitable. You can minimize splattering by dipping the bristles of your brush no more than one-third of the bristles length into the paint. Wipe off any splatters at once with a damp cloth—don't wait until the paint has dried.

When painting a ceiling, work across the width of the room to the far side, then turn and lap back the first has dried. And—remember—don't try to move your ladder with paint or tools aboard!

If you have a high ceiling, rig a raised platform from two strong ladders and a wide plank. Allow the plank to extend at least a foot beyond the end of the ladder which rests open to suit the ladders are fully open and locked in position for your safety.

To make your painting easier, remove all hardware and light fixtures from the room or cover them with masking tape. Then dust your walls thoroughly. Kitchen and bathroom walls require washing with household cleansers to remove caked on bottom rail come next, then the can, bounce you into Spring.

dirt or grease.

Before you begin to paint, read the manufacturer's directions carefully. Every suggestion should be closely followed to obtain a beautiful paint job!

### Plant Trees- Shrubs Anytime

Ever walk around your property and notice the need for additional shrubs and trees, yet think it's out of season to plant?

Forget it! Go right ahead and plant whatever you wish, says the American Association of Nurserymen. Seasonal planting of many species is necessary, but most trees and shrubs can be planted anytime. The reason is that nurseries grow a large number of individual containers and trees can be set out without disturbing their roots or growth. Anytime can be a favorable time—so plant when you have the urge.

Suppose you want a rose garden, and it's too late. During these months one can go to a nursery, usually see flowers in bloom and take the plants home and set out a few or a whole rose garden as preferred. Individual trees and similar flowering shrubs can be planted when in bud or flower and then will continue to grow well in future years. The same thing can be done with evergreens to achieve a good landscape.

scaping effect.

Suppose you get a sudden hot spell in summer and you dream of a cool shade tree. Why not plant it and let it grow? The process of transpiration on hot days providing greater cooling action when you need it most. This is Mother Nature's way of helping to keep things cool and comfortable. Either landscaping is done right through the fall or cool shade trees can be the summer months, with success guaranteed!

**Decorators  
 Endorse Blend  
 Of Periods**

The word today in home decorating is eclectic. By definition, eclecticists is "selection from various sources"; and in home furnishings that means combining furniture and accessories from different periods or decorating styles.

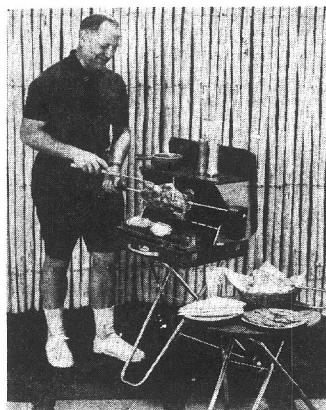

Introducing a new look or accent to any room is particularly easy with framed pictures or mirrors. These valuable wall accessories make it possible to sample the latest trends without redecorating an entire room.

The charm of the English decorative style, the exuberance or elegance of the Mediterranean trend, the informality of the contemporary look can be added to a room through careful selection of frames, pictures, and mirrors.

According to the Picture and Frame Institute, handsome frames crafted in the style of British cabinetry or Mediterranean canings can be used to surround and frame traditional or contemporary pictures or mirrors of any size or shape, in any color combinations. Pictures may be from the same period as furnishings or frames or represent a different trend.

**Care and  
 Maintenance**

There are two basic kinds of floor waxes—self-polishing and a paste or a liquid. This type of wax requires buffing, but it gives cleaned and rinsed before application maximum protection and cation.

**FOLDS LIKE A SUITCASE!** Now barbecue enthusiasts can do rotisserie cooking on the road, wherever fancy leads them. A Foldaway Weekender rotisserie grill folds and closes just like a suitcase with firebox, grid and spit all inside. There's even room for briquets, starter and tools in this first truly portable grill design, by Strucro.

has little odor. Spread on floors, longer-lasting lasting. Liquid polish gives a shiny finish that resists wax cleaners as you apply it quickly. No water is required, no scrubbing or mopping is necessary. If you use self-polishing floor waxes, self-polishing or a paste or a liquid. This type of wax requires buffing, but it gives cleaned and rinsed before application maximum protection and cation.

## GREEN THUMB TIPS

After a row of flowers has been other with the heel of the front planted, roll the wheel of a wheel of the other with heel of the front cultivator over the newly planted foot touching the toe of the one seeds. Or, walk down the row, in back, placing one foot in front of the other. Leaf cleaning tip: Clean the

leaves of your green plants by those times, says the American Association of Nurserymen. Wiping them gently with a cloth dipped in a solution of half water and half water. Begonias are among the best of the plants because they like to grow. The Society of American Florists says begonias do not like soil that is constantly moist. Like the topsoil become almost dry, then water the pot thoroughly, SAFF advises.

Flowering plants—and those with lots of foliage—require more water than those without bloom or with sparse foliage, says the Society of American Florists. By holding your plants faithfully while they are in bud and flower, and providing light, they will last longer, SAFF adds.

Some plants bloom on new growth, like roses, others on previous season's growth, like rhododendron, magnolia and rhododendron. Any pruning on the latter plants should occur after flowering—not in the late fall or early spring—else the buds may be blocked off. Plants that bloom on new growth may be pruned at

any time, says the American Association of Nurserymen.

It's along the line of least resistance we find most wrecks.

## Flowering Trees Beautify Homes

In the spring time, there is nothing more beautiful than the flowering trees in residential areas, points out the American Association of Nurserymen.

There are so many flowering trees, however, that there is not enough space to name them. Among the more prominent are the flowering crabapple, cherry, dogwood, magnolia, peach, plum and apple trees. They are both early and late spring flowering trees. Your local nurseryman will gladly advise you on those best suited for your area and planting conditions.

Where to plant your flowering trees is an individual choice. You, perhaps want it near the front of the property where neighbors as well as you, can enjoy it.

A scene is hardly complete without at least one lovely flowering tree symbolizing that "Spring is Here!"

A preventive spray program keeps plants protected from pests and disease at all times.

Fame is at best fleeting, but it lives longest on personality.

HARDLY ANYTHING can add more gaiety, beauty and springtime look to a property than one or more flowering trees, such as this Crabapple, says the American Association of Nurserymen.

## HOW TO: Fix Up Your Home

Many families are beautifying their corner of America by remodeling it.

Selecting the right man to do the job is important. One good tip: See if builders members of the local home builders association affiliated with the National Association of Home Builders, do remodeling. They're pledged to a Code of Ethics and are bound to give the customer the best service.

Many other remodeling jobs, large and small, can make your home more attractive and livable. Finish off the basement for a recreation room . . . have a two-car garage you need and always wanted . . . tuck a hideaway into the attic; add a dormer window for more room, light and air . . . enclose your porch for a year-round sunroom, for much less than the cost of adding an extra room.

If your kitchen can't cut the mustard anymore, or you've had it with three kids to a bathroom—but you like your home and neighborhood—remodeling might be the answer.

Are there unused spots in your home that can be turned into needed closets? How about a new front entrance to freshen up your home and neighborhood?

A note: Don't overlook the value and beauty of new landscaping, or a driveway or walkway.

One builder made an attractive new walk for a home, using garbage cans as a "cookie cutter" to make concrete circles which he then inset into the lawn. Clever . . . and inexpensive. Your builder-remodeler is ready with a whole library of ideas for improving your corner of America.

Don't pin your faith on a long shot unless you have a good supply of safety pins.

The world is filled with close-minded people who'll keep everything except their promises.

The Quad-Cities' Oldest Savings and Loan

BUY YOUR HOME NOW . . . AND YOUR INVESTMENT IN  
LAND MAY YIELD A 10 PER CENT RETURN!

Of course land costs are on their way up!

About half our nation's population is under 25 years of age. More and more young adults are looking for their first homes. Each year fewer and fewer lots are available . . . and the price of land goes up.

Builders and realtors have reason to believe that land prices will continue to increase 10 per cent each year!

This means that the new or used home

on a \$5,000 lot today will be worth \$500 more next year, simply because of the increase in the value of the land. The home itself will increase in value, too.

It's a good day for buying a home, partly because of projected increases in land values. Meet with your builder or realtor, get the facts, and you'll discover that a home is the best investment you can make . . . especially today.

Act now, before land prices go up a little more.

IT'S A GOOD DAY  
FOR BUYING A HOME

**Madison County Home Builders & Realtors**

Tight money? There's enough to go around. Let your builder or realtor get your mortgage for you.

**Ingredients**

Concentration of ability and continuity of effort are necessary for success.

Lost opportunities seldom find their way back to home base.

**Begin Now**

Planning ahead on home improvements keeps your house in good trim, modern and pleasant. It's easier on the family budget, too.

A five-year program makes good sense for many, as it takes into consideration growing youngsters and changing family needs.

"The way to maintain a home's living and actual values," says one expert, "is to keep it up-to-date. One year, it may mean putting in a new bathroom; the next, repainting the exterior; another, installing air-conditioning."

The consultant suggests a formal conference to plan a five-year home improvement program. This should result in decisions and a list. Dad and Mom can take it from there.

Success will never come to the man who tries to make both weeks meet.

**Patio Enhances Outdoor Living**

Among the pleasures of travel abroad, outdoor cafes rate high with most tourists. But without ever leaving their "corner of America," many families are enjoying the charm and relaxation of eating out under the trees, right in their own back yards.

For those who like a bit of formality along with their open-air dining, a custom-designed patio will have special appeal. For example, a series of white concrete will provide a smooth, level base for chairs and table. Surrounding areas of pebbled concrete will offer contrast. The surface of exposed pebbles, in turn, will provide a natural transition to lawn and garden.

Many effects are possible with concrete through the use of color and various surface treatments, says the Portland Cement Association. Divided strips of wood or metal can be used to create a pattern of lines and allow for expansion and contraction. A well-constructed patio of concrete will last for years and require practically no maintenance.

In planning an outdoor dining area, careful thought should be given to the location. It should have easy access to the kitchen, protection from wind and sun, privacy and an attractive view.

By beautifying your corner of America with a paved dining open-air dining, entertaining can be casual or elegant depending on individual tastes, but certain to be more comfortable and require less effort.

Choose your life's companion well—a clear conscience's best.

## Check Your Roofing Above All!

More than 36 million Americans will move this year, and one of their first considerations will be how to sell their old houses. They'll want their home to be as quiet and painless as possible, and to realize a fair price.

If your home will soon be up for sale, it's a good idea to take an objective look at it with a buyer's eye. Your home's comfort and familiarity and the simple fact that you have lived there for a number of years. But, what will a prospective buyer see that will make him choose your house over the many others he will view?

Some older homes are in good enough shape to compete on the market. Others require no more than a fresh paint job. But a large number of extensive repairs or remodeling. In such cases, the trouble and expense of updating is not only worthwhile, but essential. It will make the house saleable, and probably bring a better price.

A buyer's first view of your home will be its exterior, and he'll notice the roof at a glance. If it's attractive, distinctive, and new-looking, it will go far in increasing the sales potential of the house. On the other hand, a worn or dull-looking roof, or one with loose and weather-beaten shingles will make your house harder to sell. It may even discourage a prospective buyer from looking inside.

If your home needs re-roofing, heavyweight asphalt shingles are a good investment. They come in a variety of eye-appealing colors and designs that update the exterior and add an elegant appearance of an older home.

Even more important to a prospective homeowner is the assurance of long, trouble-free service such a roof provides. Many manufacturers warrant these shingles for 20 years or longer, and a new roof with this low-maintenance, high durability asset will upgrade the home's resaleability.

While some of the remodeling projects are sizable, others will help increase the resale value of your home. From that point of view, they are an expense that will pay off in the long run.

THE SOCIETY of American Florists' suggestion that a bouquet of fresh flowers be placed in windows, where they may be enjoyed both inside and out, is particularly appropriate in view of the First Lady's interest in making America more beautiful.

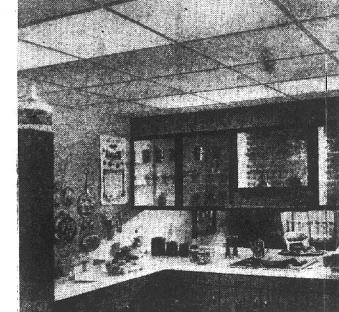

## Carpeting Needs Hidden Assets for Best Service

When home improvement is on thick-pile construction (and there's one's mind the carpet looms as far as not the most expensive kind) the outstanding device to pull a room together in one harmonious gives it a bouncy spring and room seems like a single unit. It's a good idea to keep the housewife in the noise stifling quality of latex foam rubber; it performs admirably as an acoustical device, absorbing sound without loss of texture. At least in the "hidden assets" of latex foam rubber is the preservation of the life of the carpet itself... a very important consideration indeed when so much expense and expense are involved.

**High Cost.**  
In the old days a fool and his money were soon parted—today it happens to everyone.

Almost all carpets and rugs require some sort of underlaying for protection and comfort. The cost of the underlay is purely functional but none the less important even if it isn't part of the decorating scheme and doesn't show.

Latest and most practical of these "hidden assets" is latex foam carpet, in a waffle-type formation that hugs the floor, stays in place and keeps the rug from slipping. The "hidden assets" of this new underlay are multifold: if the carpet is not a

## ceiling with non-glare lighting, noise control, cleaning ease

If you're planning a dream-incombustible acoustical lay-in kitchen, look to the ceiling. For panels and translucent light panels which are placed to provide many attributes... glare-free illumination in work areas. Both can be easily removed from the hanging grid system for easy cleaning. The translucent panels absorb more than 70 per cent of the many kitchen noises striking their surfaces.

Adaptable for both new construction and remodeling, one offered by the Celotex Corporation features a combination of incombustible polystyrene panels accenting cabinet doors.

Another special feature you should keep in mind for your kitchen is a Solid Foundation.

Dig up the facts—they'll shake your faith in the most deep-rooted prejudices.

kitchen is a modern treatment which can be given for the cabinets. Translucent decorative polystyrene panels accenting cabinet doors can give the kitchen a tasteful touch.

**FOIL DUST** by storing seldom-used china and silver in double-wall see-through quilted plastic bags. And tent your infrequently-used kitchen appliances under the gallon-size bags, too. Photo, courtesy Hefty Bags, Mobil Chemical.

### Foil Demon Dust!

Is dust Enemy Number One in your home? If it is, in most. Sneakily it even seeps through closed doors of closets and cupboards, and since it comes with an oily base in most parts of the country, particularly in industrial areas, it sticks to everything it lights on.

The china closet is a good place to begin. Dusty dishes are good ones — which can't be washed — and will have to be washed each time company's coming before they're fit for the table. You'll eliminate this time and work-consuming step when entertaining if you make use of "Hefty" double-wall see-through quilted plastic bags. Due to their side gussets and lack of static cling, dishes slip into them easily. You'll find the gallon size accommodates a whole dinner service or a stack of saucers or cups. The bag's quilting and extra strength and stiffness offer protection, too, against chipping. And they're so sparkly, they add a gleaming touch.

You can likewise protect your good but seldom used sterling silver pieces against both dust and tarnish by encasing them in the bags. Once sealed shut in a twist-top bag, they're safe from air, which is what causes discoloring. Result . . . no last-minute silver polishing, great work-saver!

Then there are your small electrical appliances in the kitchen such as the coffee maker and blender which are real dust collectors. Instead of investing in cozy little covers that have to be washed occasionally, why not use a single double-wall bag. Here again it's the expanding side gussets that provide the play needed to accommodate the irregular shapes.

### REMODEL BASEMENT LAUNDRY AREA: CAN BE FUN, LOW-COST

Basements can be pretty dreary looking, particularly in old houses. But a little imagination and time devoted to hunting bargains plus a few hours of physical labor can transform a drab quarter into a pleasant, working laundry area.

That's what one young couple did. There was plenty of space in the basement but it was dark and dull. They didn't want to spend very much to transform this part of the house so they started first with paint. They chose a soft lime green and painted the walls, beams and trim. Then they bought a bright new washer and dryer in a decorative color.

Next came the selection of a fabric. They found just what they wanted in a vinyl coated material with a lime and turquoise pattern. This they used to cover a spark the room.
